See this intimate musical portrayal of legendary actor, singer and comedian Danny Kaye. The play chronicles Kaye’s turbulent and triumphant life and career -- from an undisciplined improvisational comic plying his trade in the Catskill resorts to an award-winning international star. The score is composed of songs which Kaye helped make famous and which made him a household name. Following the play, our group will enjoy dinner at Cullen’s Bar & Grill. If you wish, you may attend the play or dinner only.
